AMENDMENT and RESPONSE

Commissioner for Patents  
Box NON-FEE AMENDMENT  
Washington, D.C. 20231

Sir:

In response to the Office Action mailed on May 24, 2002, please amend the above-identified application as provided below. In accordance with 37 C.F.R. § 1.121(b), a marked up version of the amended claims showing the changes made is attached.

IN THE DRAWINGS:

Applicants submit herewith, on a separate sheet, proposed revisions of the Figs. of the present application, as shown in red.

IN THE CLAIMS:

Please substitute the original claims 1, 3 and 5 with the following rewritten versions:

A1  
1. (Amended) A flexible printed circuit board comprising a component mount section, which an electronic component is mounted on, and a cable section, which connects to the component mount section;
